## HAGAS President's Report 2009-10

The Henley and Grange Arts Society has enjoyed a most successful past year. Enrolments in tuition for painting, for both adult and children has seen all classes full. The pottery and glass area has unfortunately not had the same success. The Spring Exhibition was a huge success with many works sold. The standard was excellent with some members exhibiting for the first time.

The Gallery as always is a real concern to all committee members. Despite being open every Saturday afternoon, thanks to members on duty, our sales and the number of people it attracts is extremely disappointing.

Our tutors continue to provide excellent tuition for our members. Workshops were also well attended. Members numbers participating in society social activities have been high and I thank those involved in organising the events.

My report this year is brief, due mainly to the success of the society, with an extended lease and class numbers at their maximum level, I feel satisfied that the future of the Henley and Grange Arts Society is most secure.

In closing and certainly having touched on only some of the past year's happenings, I would take the opportunity to thank all the people both on and off the committee, who supported me in my role as president and also for their contribution to the success of the society in 2009 / 2010.

THANK YOU  
Peter McLay  
President

**Bill and Sam** ..... two elderly friends, met in the park every day to feed the pigeons, watch the dogs and discuss the problems of the world.

One day Bill didn't show up!

Sam didn't think much about it and figured maybe he had a cold or something.

But after Bill hadn't shown up for a week or so, Sam really got worried.

However, since the only time they ever got together was at the park, Sam didn't know where Bill lived, so he was unable to find out what had happened to him.

A month had passed, and Sam figured he has seen the last of Bill, but one day, Sam approached the park and 'lo and behold' there sat Bill!

Sam was very excited and happy to see him and told him so. Then he said 'For crying out loud Bill, what in the world happened to you?'

Bill replied 'I've been in jail!'

'Jail?' cried Sam, 'what in the world for?'

'Well' Bill said, 'you know Sue, that cute little blond waitress at the coffee shop where I sometimes go?' 'Yeah,' said Sam, 'I remember her. What about her?'

'Well one day she filed rape charges against me; and at 89 years old, I was so proud that when I got to court, I pleaded 'guilty' ..... so the bloody judge gave me 30 days for perjury!!'

Painters Hints

When starting a new painting or priming a canvas, use white gesso primer but add a little colour, such as raw or burnt sienna, and you will begin your painting with a unifying warm colour in the background. Remember – white is a 'cold' colour.

If you have art materials you no longer need we would appreciate your donation so that we can continue to provide a broad range of experiences and materials to our child and youth artists.
