Cleaner/s required

After many years of service Ruth and Heather have decided not to continue cleaning at HAGAS. If you are interested in filling this position please contact Alison for details and a job spec. harnishch@bigpond.com
Thanks very much to Ruth and Heather.

Thanks to **Adelaide Furniture & Electrical** for a great deal on our new fridge ... and a big thankyou to Gill Farnden for arranging purchase & delivery.

"We Only Have What We Give" *Isabel Allende*

2013 HAGAS Exhibition – A big thankyou to all those who volunteered their time to make this a successful end of year celebration. The standard of work was excellent, and the atmosphere created in our gallery / studio was infectious. The purpose of our annual exhibition is not only to display all that has been created over the last 12 months, but to meet other members and share their passion and celebrate their achievements.

While there have been some significant changes in the last 12 months for us, what hasn't changed is the reason we come together, and our charter to offer the community a friendly and supportive environment to learn new skills, build and share our knowledge and be creative.

We are very fortunate to have the committed support of a few members who tirelessly work to keep our doors open and create a comfortable and safe environment for all.

However, the responsibility for our ongoing existence is shared by all members. Please consider how you can help share the load, and talk to a committee member or tutor to find out how. Have a great year!

Alison Harvey, *Art Director*
